For this essay, you need to make sure of the following: 1" margins, 12 size, Times News Roman font, and page numbers.

The first page should only be the title page. It should state the following: title, teacher's name, your name, and course code (CPW4U), and date.

The last page should be your Works' Cited page (reference page). This page should be single spaced and you should follow MLA style of referencing. Refer back to the 'MLA style explained' document on the website.

The essay itself should be 750 words (roughly three pages). This does not include the title page and the reference page.
